

Corrimal East Public School

Fencing works notification | 1 September 2025

Dear neighbour,

We are writing to advise that we will be replacing the boundary fence between your property and Corrimal East Public School. We will not be replacing the access gate between your property and the school.

In accordance with the [Dividing Fences Act 1991](#), the NSW Department of Education is inviting you to share the cost of the work.

We are currently sourcing a quote for this work and will notify you of the proposed cost sharing agreement once we receive it.

The NSW Department of Education can fence off school properties as indicated in the Inclosed Lands Protection Act 1901 (ILP Act). Corrimal East Public School is “inclosed land” for the purposes of the ILP Act.

By securing the gate to your property and restricting access, we will be providing greater safety and security for our students, staff and the wider community.

If you have any feedback about the planned work, please contact us on 1300 482 651 or schoolinfrastructure@det.nsw.edu.au.

Please note our community phone and email are staffed from Monday to Friday between 9 am and 5 pm.

Following receipt and consideration of feedback received, we will schedule works to secure the access gate to your property and notify the community.

We appreciate there may be some inconvenience caused by these changes. We understand the importance of maintaining positive relationships with our neighbours and seek to balance that with the safety and wellbeing of the school and local community.

Thank you for your cooperation during this important work.
