

Mount St Thomas Public School

Works notification | 31 January 2023

Dear staff and parents/carers,

Upcoming replacement of wall sheets at Mount St Thomas Public School will involve working with asbestos containing material in a classroom in Block A.

Work to remove the material will take place on Saturday 4 February and Saturday 11 February 2023. All asbestos containing material will be removed outside of school hours and in accordance with the advice of the independent hygienist.

The area will be cordoned off before works start, and safety measures and monitoring will be put in place. It will remain out of bounds to anyone on site until the removal and associated maintenance work is completed.

Work will be done in accordance with SafeWork NSW regulations and the NSW Department of Education's Asbestos Management Plan. All work will be completed by licensed and accredited asbestos contractors and monitored by occupational hygienists in strict accordance with all applicable legislation, regulations, policies and guidelines.

The area will be inspected to ensure it has been fully remediated and the school will receive a clearance certificate before the area is reopened to students and staff.

The health, safety and wellbeing of the school and local community is our highest priority. Thank you for your cooperation during this important work.
