

McCallums Hill Public School

Works notification | 4 December 2024

Dear staff, parents, carers and neighbours,

We are pleased to announce we are upgrading key school facilities at McCallums Hill Public School.

This project involves

- relocating the Support Unit from Buildings 7A and 8A to Building 4
- installing new accessible bathrooms and breakout spaces for each classroom in Building 4
- internally painting Buildings 7A and 8A and converting them into general classrooms
- modifying the carpark to support the pickup and drop off of students.

Work will start the week of Monday 2 December 2024 and is expected to be finished by Friday 28 February 2025.

Work hours will be Monday to Friday 7 am to 6 pm and Saturday 7 am to 1 pm.

There will be minimal operational impact to students and staff during these works.

Contractors and vehicles will enter the school via the main entrance on McCallum Street and use the school's carpark.

Appropriate safety measures will be in place while work is being done. We will ensure works are carried out safely and efficiently to minimise impacts to the school and local community.

We will endeavour to minimise noise where possible. For more information on how construction will be managed, visit the School Infrastructure website: [Managing construction impacts in your community \(nsw.gov.au\)](https://www.schoolinfrastructure.nsw.gov.au/Managing-construction-impacts-in-your-community).

If you have any questions about this work, please contact the NSW Department of Education on the details below.

The health, safety, and wellbeing of the school and the local community is our highest priority.

Thank you for your cooperation during this important work.
