

Hamilton North Public School

Works notification | 20 November 2025

Dear staff, parents and carers,

A wall on a movement area outside a classroom in Building A, the block near the assembly area, at Hamilton North Public School was damaged yesterday and repaired overnight.

The area is listed on the school's asbestos management plan and was immediately cordoned off with access securely restricted.

An independent hygienist has been engaged to inspect the area, conduct testing and air monitoring to ensure asbestos-containing materials are not present. Once it is confirmed that the area can be reopened, usual school activities will resume.

All work was done in accordance with work health and safety laws and the NSW Department of Education's Asbestos Management Plan. Safety measures were in place while work was being done. All work was completed by licensed asbestos contractors and will be inspected by independent hygienists.

The health, safety, and wellbeing of all members of our school and the local community are our highest priorities. We will keep the community updated.

Thank you for your cooperation during this important work.
