

Killara Public School

Works notification | 29 August 2025

Dear staff, parents, carers and neighbours,

We will be upgrading the staff car park near Ridgeland Avenue at Killara Public School.

The car park works will include demolition of existing asphalt carpark and relaying asphalt.

In addition to the car park works we will be making these further improvements:

- new concrete kerbs added to existing footpaths located near the shade structure, to redirect storm water runoff as well as a cut out to improve wheelchair access
- works to improve drainage in the southern corner of the oval, near Building I.

This work will start from Friday 26 September 2025 and is expected to be finished by the end of October 2025, weather and site conditions permitting.

Traffic and parking impacts

The staff car park will be fenced off from 26 September 2025, and staff will temporarily use alternative parking options.

During the works, there will be increased noise during excavation works and an increase in truck and contractor vehicle movements on Ridgeland Avenue.

Work hours will be 7 am to 6 pm Monday to Friday and 8 am to 1 pm on Saturdays, in line with NSW Environment Protection Authority guidelines.

Accessing OOSH and vacation care

Outside of school hours (OOSH) services will continue to be held in the same location. A temporary entrance will be relocated to the rear gate entrance of Handprints and will be in place from Monday 29 September 2025, for the duration of the car park works.

The health, safety and wellbeing of all members of our school and the local community are our highest priorities.

Thank you for your cooperation during this important work.
