

# Maitland Public School

## Works notification | 21 May 2025

Dear staff, parents and carers,

Heavy rain has affected the support unit classroom in Building B at Maitland Public School.

Access to this room is currently restricted while we fix any leaks and undertake repairs.

Affected classes have been moved to Building A while we continue repairs.

The health, safety and wellbeing of all members of our school and the local community are our highest priorities.

Thank you for your cooperation during this important work.
