

# Manly Village Public School

## Works notification | 30 April 2025

Dear staff, parents, and carers,

We wish to advise that as part of the recently completed upgrades at Manly Village Public School, permanent closed-circuit TV (CCTV) cameras were installed above the Electronic Access Controlled (EAC) door and gate on Wentworth Street. There is also a CCTV camera installed within Building D.

The purpose of these cameras is to capture details of people entering and exiting the school grounds.

For more information on CCTV including how the department uses footage, privacy laws and record keeping, please visit the webpage [CCTV - use of closed circuit cameras](https://edu.nsw.link/CCTV):  
<https://edu.nsw.link/CCTV>

The health, safety and wellbeing of all members of our school and the local community are our highest priorities.

If you have any questions about the school's CCTV, please contact the NSW Department of Education on the details below.

Please note our community phone and email are staffed from Monday to Friday between 9 am and 5 pm.

Thank you for your cooperation.
