

Beaumont Road Public School

Works notification | 7 August 2025

Dear staff, parents, carers and neighbours,

We wish to advise you of works to secure the access gate along the laneway boundary (perpendicular to Beaumont Road) and Beaumont Road Public School.

Temporary fencing will be set up along the laneway access gate to prevent any unauthorised access and to maintain safety. This is temporary and will remain until a permanent solution can be arranged.

Works to install the temporary fence will be done in coming days and is expected to be finished in one day. Installation will happen between 7 am and 5 pm on a weekday, in line with NSW Environment Protection Authority guidelines.

Access to the laneway and the 3 roads this provides access to, will not be affected.

The health, safety and wellbeing of all members of our school and the local community are our highest priorities. We will keep the community updated.

Thank you for your cooperation during this important work.
