

Villawood East Public School

Works notification | 2 July 2024

Dear staff, parents and carers,

On Friday 21 June 2024, suspected mould was found in the girls' toilets in Building M at Villawood East Public School.

The toilets were locked immediately.

We organised for the affected areas to have an environmental clean – from Saturday 22 June 2024 to Tuesday 25 June 2024.

When cleaning was completed, we engaged an independent hygienist to inspect the toilets and provide clearance.

Clearance was received on Monday 1 July 2024 and the toilets were re-opened.

All work involving hazardous materials has taken place outside of school hours, with safety measures in place during the work.

The health, safety, and wellbeing of the school and the local community is our highest priority.

Thank you for your cooperation during this important work.
