

Gordon East Public School

Works notification | 20 September 2023

Dear staff and parents/carers,

We are replacing existing timber window suites with aluminium windows in Buildings A and D at Gordon East Public School. This work will involve working with asbestos containing material in the external soffit and eaves.

The areas will be cordoned off before the work starts, and safety measures and monitoring put in place.

This work will take place between Saturday 14 October and Sunday 15 October 2023. All work involving asbestos containing materials will take place outside of school hours, with additional safety measures and monitoring in place before the work starts.

Work will be done in accordance with SafeWork NSW regulations and the NSW Department of Education's Asbestos Management Plan. All work will be completed by licensed and accredited asbestos contractors and monitored by occupational hygienists in strict accordance with all applicable legislation, regulations, policies, and guidelines.

The areas will be inspected by an independent hygienist to confirm it has been fully remediated, and the school will receive a clearance certificate before they are reopened.

The health, safety, and wellbeing of the school and the local community is our highest priority.

Thank you for your cooperation during this important work.
