

Hilltop Road Public School

Works notification | 5 June 2026

Dear staff, parents and carers,

The health, safety, and wellbeing of all members of our school and the local community are our highest priorities.

We are replacing the floor coverings in 4 classrooms on the first floor of Building A at Hilltop Road Public School.

The vinyl tiles are known to contain bonded asbestos and are listed on the school's asbestos register.

Work to remove asbestos-containing materials will take place on Sunday 14 June 2026. All work involving asbestos containing materials will be done outside of school hours with safety measures such as PPE and air monitoring in place.

The rooms will be inspected by an independent hygienist and a clearance certificate will be issued before the rooms are reopened. New carpet installation will occur from Monday 15 June to Wednesday 17 June 2026, with the rooms reopening on Thursday 18 June 2026.

For more information about asbestos please visit the [NSW Health website](https://www.nsw.gov.au/health) or scan the QR code.

All work will be done in accordance with work health and safety laws and the NSW Department of Education's Asbestos Management Plan. Safety measures will be in place while work is being done. All work will be completed by licensed asbestos contractors and inspected by independent hygienists.

If you have any questions about this work, please contact the NSW Department of Education on the details below.

Thank you for your understanding during this important work.
