Booragul Public School

Works notification | 5 November 2025

Dear staff, parents, carers and neighbours,

We are refurbishing the sports court along Aspinall Street at the northern end of Booragul Public School.

Works will involve removing the rubber covering, demolishing the existing asphalt and installing a new concrete court, finished with sports line markings.

Works will start in November 2025 and are expected to finish during Term 1 2026. The area will be temporarily fenced off.

The Outside of School Hours care (OOSH) will not be affected by these works.

Alternative play spaces are available. Play equipment is available next to the sports court, and students and OOSH will have access to the oval.

Work hours are between 7 am and 6 pm Monday to Friday in line with NSW Environment Protection Authority guidelines.

The health, safety, and wellbeing of all members of our school and the local community are our highest priorities.

Did you know?

Booragul Public School has an enrolment of 222 students. In 2022, 21% of students identified as Aboriginal and Torres Strait Islander and 6% identified as coming from a non-English speaking background. We embrace diversity and strive to build cultural proficiency and high educational outcomes for all students.

Expert practitioners provide tuition in physical education, sport, music and digital technologies. Extracurricular activities include debating, public speaking, choir and dance.
