

Cringila Public School

Works notification | 5 December 2024

Dear staff, parents, carers and neighbours,

We will be carrying out vegetation removal at Cringila Public School across the next 2 weekends — December 7 to 8 and December 14 to 15.

Work includes mowing grass, slashing weeds and subsequent chemical spraying in a restricted area which shares a rear boundary with homes on Lackawanna Street.

Hours of work will be between 8am and 5pm.

This out-of-bounds area is known to contain bonded asbestos and is listed in the school's asbestos register.

NSW Health explains living, working or being around asbestos is a low risk to your health if the asbestos is in good condition and not damaged.

Air monitoring will be in place while work is being done.

Work will be completed by licensed asbestos contractors and monitored by independent hygienists, in accordance with work health and safety laws and the NSW Department of Education's Asbestos Management Plan.

The health, safety and wellbeing of the school and the local community is our highest priority.

Thank you for your cooperation during this important work.
