

Moree East Public School

Works notification | 13 February 2026

Dear staff, parents and carers,

We are writing to provide an update on the upgrades at Moree East Public School, as outlined in our previous communication on [Friday 5 December 2025](#). We are pleased to advise that the construction contract has been awarded to Shay Brennan Constructions Pty Ltd.

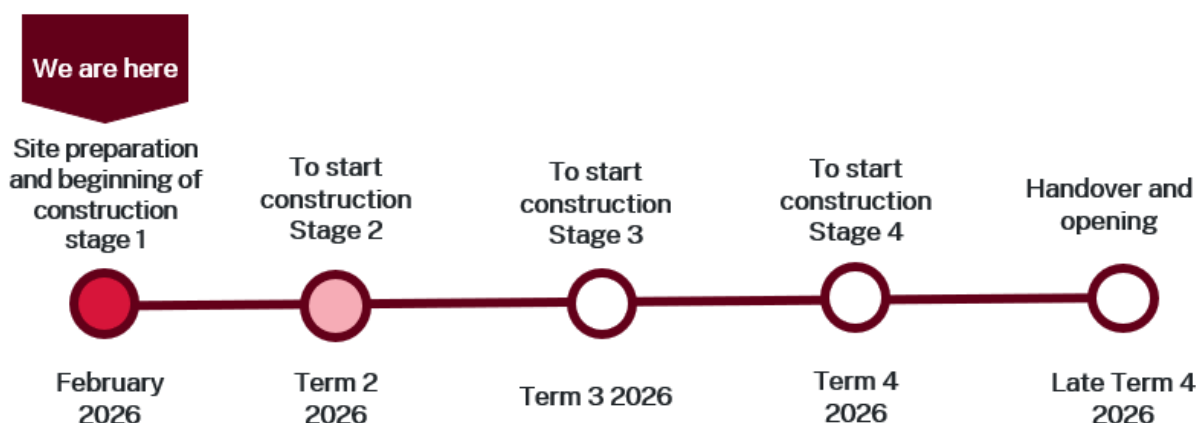

The site was established on Friday 3 February 2026, with Stage 1 works expected to start on Monday 16 February 2026. Once Stage 1 is finished, we will begin Stage 2 works. The start date for Stage 2 will be confirmed, and the community will be notified in advance.

Timeline

Please note that these dates are indicative and may be subject to change.

Managing construction

Construction vehicles and equipment, including cranes, cement mixers and jackhammers will be used throughout this maintenance program which may cause periods of noise.

Work hours are between 7 am and 6 pm Monday to Friday, and 8 am and 1 pm on Saturday, in line with [NSW Environment Protection Authority guidelines](#). We will work with the school to minimise disruption to learning and teaching.

Work vehicles will enter and exit from Adelaide Street and Boston Street with traffic management in place during construction. Deliveries will occur outside of student pick-up and drop-off times.

For more information on how construction will be managed, please visit the School Infrastructure website: [Managing construction impacts in your community](#).

We appreciate your continued support as we progress through these important stages and will keep you updated on any new developments.

If you have any questions, please contact the department on the details below.
