

Albion Park Rail Public School

School holiday works notification – Summer | 2025/2026

Dear staff, parents and carers,

School holidays are the ideal time to undertake maintenance and project work across the state without disrupting learning.

Planned work over the upcoming holidays

We will be refurbishing the student facilities in the hall in Building 7 at Albion Park Rail Public School during the summer holidays.

Work will take place between the end of the school day from Friday 19 December 2025 up to the first day of Term 1 Monday 2 February 2026.

To prepare for this refurbishment, we are removing asbestos in the toilet partitions, as listed on the school's asbestos management plan.

All work will be done in accordance with work health and safety laws and the NSW Department of Education's Asbestos Management Plan. Safety measures will be in place while work is being done. All work will be completed by licensed asbestos contractors and inspected by independent hygienists.

The health, safety and wellbeing of all members of our school and the local community are our highest priorities.

Thank you for your understanding during this important work.
