

Heaton Public School

Works notification | 6 November 2025

Dear staff, parents and carers,

Following the [works notification issued on 21 August 2025](#), we have reopened and welcomed the Jesmond Community Preschool and regular classes back into Building C on Thursday 4 September 2025 at Heaton Public School.

Furniture was moved back into Building C on Tuesday 2 September 2025. The space will include 4 refrigerators and a photocopier.

That concludes the remediation works in buildings B and C at the school.

The health, safety and wellbeing of the school and the local community is our highest priority.

If you have any questions about this project, please contact the NSW Department of Education during business hours on the details below.

Thank you for your cooperation during this important work.
