

Garden Suburb Public School

Works notification | 20 June 2023

Dear staff and parents/carers,

We are replacing the air conditioner in a classroom demountable next to Building D at Garden Suburb Public School. This work will involve working with asbestos containing material in the external eaves.

The classroom demountable is being safely used at present as the external eaves are undisturbed.

Work to remove the external eaves will take place on Saturday 24 June 2023. All work involving asbestos containing materials will take place outside of school hours. The area will be cordoned off with additional safety measures and monitoring in place before the work starts.

Work will be done in accordance with SafeWork NSW regulations and the NSW Department of Education's Asbestos Management Plan. All work will be completed by licensed and accredited asbestos contractors and monitored by occupational hygienists in strict accordance with all applicable legislation, regulations, policies, and guidelines.

The demountable will be inspected by an independent hygienist to confirm it has been fully remediated, and the school will receive a clearance certificate before it is reopened.

The health, safety, and wellbeing of the school and the local community is our highest priority.

Thank you for your cooperation during this important work.
