

Budgewoi Public School

Works notification | 13 September 2024

Dear staff, parents and carers,

On Tuesday 10 September 2024, a small amount of mould was detected on a wall in a classroom in Building J at Budgewoi Public School.

As a precaution, the classroom was cordoned off from students and staff. The class has been temporarily relocated to the library.

The classroom will be environmentally cleaned and dehumidified between 10 and 16 September 2024.

To prevent any further issues, we have also repaired the cause of the excess moisture in this classroom.

All work involving hazardous materials will take place with safety measures in place while work is being done. Once the classroom has been remediated, it will be reopened for use.

The health, safety, and wellbeing of the school and local community is our highest priority.

If you have any questions about this work, please contact the NSW Department of Education on the details below.

Thank you for your cooperation during this important work.
