

# Lennox Head Public School

Works notification | 25 January 2023

Dear staff and parents/carers,

During the school holidays, carpet replacement in one of the temporary classrooms at Lennox Head Public School will include working with asbestos containing material in tiles under the carpet.

The material will be removed on Friday 27 January 2023 and Saturday 28 January 2023. Safety measures and monitoring will be in place and the area will remain out of bounds to anyone on site until the asbestos removal and associated maintenance work is completed.

This area will be remediated in accordance with SafeWork NSW regulations and the Department of Education's Asbestos Management Plan. All work will be completed by licensed and accredited asbestos contractors and monitored by occupational hygienists in strict accordance with all applicable legislation, regulations, policies and guidelines.

Testing will be completed to ensure the area has been fully remediated and the school will receive a clearance certificate before the area is reopened to students and staff on their return to school for 2023.

The health, safety and wellbeing of the school and local community is our highest priority.
