

Bert Oldfield Public School

School holiday works notification | Spring 2025

Dear staff, parents and carers,

The school holidays are the ideal time to undertake maintenance and project work across the state without disrupting learning.

Planned work over the upcoming holidays

During a recent inspection of school grounds, School Infrastructure staff noted that several adjoining properties had unauthorised access gates leading directly onto the Bert Oldfield Public School playground.

We wish to advise we will be securing all unauthorised access gates into this school.

By doing so, we will provide greater safety and security for our students, staff and the wider community.

The NSW Department of Education can fence off school properties as indicated in the [Inclosed Lands Protection Act 1901 \(ILP Act\)](#). Bert Oldfield Public School is “inclosed land” for the purposes of the ILP Act.

Work to secure the access gates is scheduled take place on **Monday 13 October 2025** (which is a school development day). Work will take place between 8 am and 5 pm.

All work will be done on the school’s side of the boundary fence.

The health, safety and wellbeing of all members of our school and the local community are our highest priorities.

Thank you for your cooperation during this important work.
