

# Elanora Heights Public School

Works notification | 25 August 2023

Dear staff and parents/carers,

We are replacing the carpet in various rooms in Building A at Elanora Heights Public School. As part of this work, asbestos containing material within the vinyl tiles located under the carpet will need to be removed.

The rooms in Building A continue to be used as the tiles are undisturbed and covered with carpet. Additional safety measures and monitoring will be put in place before the work starts.

Work to remove the vinyl tiles will take place between Monday 11 September and Saturday 16 September 2023, outside school hours.

Work will be done in accordance with SafeWork NSW regulations and the NSW Department of Education's Asbestos Management Plan. All work will be completed by licensed and accredited asbestos contractors and monitored by occupational hygienists in strict accordance with all applicable legislation, regulations, policies, and guidelines.

The rooms will be inspected by an independent hygienist to confirm they have been fully remediated, and the school will receive a clearance certificate before the rooms are reopened.

The health, safety, and wellbeing of the school and the local community is our highest priority.

Thank you for your cooperation during this important work.
