

Kotara South Public School

School holiday works notification – Autumn | 2025

Dear staff, parents, carers and neighbours,

The school holidays are the ideal time to complete maintenance and project work across the state without disrupting learning.

Planned work over the Autumn School Holidays

As part of planned maintenance, we are replacing an existing concrete driveway on the Gate 5 access road entrance on Rodway Parade at Kotara South Public School.

We will be working during the Autumn School Holidays which may include from the end of the school day on Friday 11 April up to Day 1 Term 2 (Wednesday 30 April).

The vacation care program will be open as usual.

What to expect

Work hours will be between 7 am and 5 pm Monday to Friday (excluding public holidays) in accordance with NSW Environment Protection Authority construction times.

The construction area will be fenced off and the main carpark will be closed.

Vacation care access during this time will be via the pedestrian access on Rodway Parade.

The vacation care community and staff will need to use street parking on nearby Rae Crescent or Rodway Parade.

Traffic management will also be in place on Rodway Parade, alongside temporary fencing and signage.

There will be construction noise, due to concrete cutting and associated works, and a small excavator will on-site.
