

Glendale East Public School

Works notification | 20 August 2025

Dear staff, parents, carers and neighbours,

We are replacing a section of damaged fence along the south-eastern edge of the school perimeter at Glendale East Public School.

Work will involve removing a small section of the existing boundary fence adjoining one residence on Clarence Street, trimming vegetation where required and repairing the existing timber fence.

This work will be done from the school side along the shared boundary. By repairing the fence, we will provide greater safety and security for our students, staff and the wider community.

Work will start on Monday 8 September 2025 and is expected to be finished by Wednesday 10 September 2025, weather and site conditions permitting. Work hours will be between 7:00 am and 3:00 pm on weekdays in line with Lake Macquarie City Council guidelines.

We are committed to the safety and wellbeing of our school community and appreciate your understanding.

Thank you for your cooperation during this important work.
