

Glendale East Public School

Works notification | 3 July 2024

Dear neighbour,

As part of planned maintenance, we will be replacing a section of damaged fence along the south-eastern edge of the school perimeter at Glendale East Public School.

The work will involve removing a small section of the existing boundary fence adjoining one residence on Clarence Street (**your address at 52 Clarence Street, Glendale NSW 2285**), trimming vegetation where required and repairing the existing timber fencing.

This work will be done from the school side along the shared boundary at the rear of your property and Glendale East Public School.

By repairing fencing, we will provide greater safety and security for our students, staff and the wider community.

The NSW Department of Education will cover the cost of the work. You will not be required to make any financial contribution.

If you have any feedback about the planned work, please contact us on 1300 482 651 or schoolinfrastructure@det.nsw.edu.au by 25 July 2025.

Please note our community phone and email are staffed from Monday to Friday between 9 am and 5 pm.

Following receipt and consideration of feedback received, we will schedule works to replace the fence and notify you.

We are committed to the safety and wellbeing of our school community and appreciate your understanding.

We will continue to keep you informed once further information is available.

Thank you for your cooperation during this important work.
