

# Glendale East Public School

## Works notification | 7 March 2023

Dear staff and parents/carers,

Carpet is being replaced in a classroom in Building B at Glendale East Public School. As part of the work, asbestos containing vinyl tiles under the carpet will also be removed.

The classroom is currently cordoned off and will remain out of bounds to students and staff until the tiles are removed and the carpet is replaced.

The repairs will be carried out on the evening of Thursday 9 March 2023.

All works involving asbestos containing materials will take place outside of school hours, with additional safety measures and monitoring in place before works start.

Work will be done in accordance with SafeWork NSW regulations and the NSW Department of Education's Asbestos Management Plan. All work will be completed by licensed and accredited asbestos contractors, and monitored by occupational hygienists in strict accordance with all applicable legislation, regulations, policies and guidelines.

The area will be inspected to ensure it has been fully remediated. The school will receive a clearance certificate before the area is reopened to students and staff.

The health, safety, and wellbeing of the school and the local community is our highest priority.

Thank you for your cooperation during this important work.
