

# Gosford East Public School

## Works notification | 17 March 2026

Dear staff, parents, carers and neighbours,

We are refurbishing the entrance to the Administration Building (Building A) by replacing the eaves and wall cladding at Gosford East Public School.

This work will involve the removal of known bonded asbestos from the external wall linings and eaves as listed on the School Asbestos Management Plan (SAMP).

NSW Health explains that “living or working with asbestos, or just being around it, is a low risk to your health as long as the asbestos is in good condition and not damaged”.

All asbestos-containing material will be removed between Saturday 28 and Sunday 29 April 2026. Work will be done under the guidance of an independent hygienist who will inspect and issue a clearance certificate before the refurbishment works can continue.

All work will be done in accordance with work health and safety laws and the NSW Department of Education’s Asbestos Management Plan. Safety measures, including temporary fencing, signage and workers wearing personal protective equipment, will be in place while work is being done.

The refurbishment works in this area will continue through the autumn school holidays up to the first day of Term 2 Wednesday 22 April 2026.

Construction work hours will be between 7 am and 6 pm Monday to Friday, and 8 am and 1 pm on Saturday, in line with NSW Environment Protection Authority guidelines.

Construction vehicles will enter the school via Webb Street and park in the restricted construction area. Traffic control will be used as required for the safety of students, staff and the local community. Please follow the directions of any temporary signage and traffic controllers when in place.

The health, safety, and wellbeing of all members of our school and the local community are our highest priorities.

If you have any questions about this work, please contact the NSW Department of Education on the details below.

Thank you for your understanding and support during this important work.
