

# Gosford East Public School

Works notification | 21 July 2023

Dear staff and parents/carers,

We are replacing a broken window in a hallway in Building A at Gosford East Public School. This will involve working with asbestos containing material within the window frame.

The window has been covered in plastic sheeting and because the window frame is undamaged the hallway remains safe for occupation.

This work will take place on Saturday 5 August 2023.

The hallway will be cordoned off before works start, and safety measures and monitoring put in place under the advice of an independent hygienist. It will remain out of bounds until the removal work is finished.

Work will be done in accordance with SafeWork NSW regulations and the NSW Department of Education's Asbestos Management Plan. All work will be completed by licensed and accredited asbestos contractors and monitored by occupational hygienists in strict accordance with all applicable legislation, regulations, policies, and guidelines.

The hallway will be inspected to ensure it has been fully remediated and the school will receive a clearance certificate before the area is reopened.

The health, safety, and wellbeing of the school and the local community is our highest priority. Thank you for your cooperation during this important work.
