

Balarang Public School

School holiday works notification – Winter 2026

Dear staff, parents, carers and neighbours,

School holidays are the ideal time to undertake maintenance and project work across the state without disrupting learning.

Planned work over the upcoming holidays

We will be working at Balarang Public School during the winter holidays.

This period may include from the end of the school day on Friday 3 July 2026 up to the first day of Term 3 Tuesday 21 July 2026.

As part of our planned maintenance schedule, we are replacing the vinyl floor coverings in the Canteen in Building C at Balarang Public School.

The Out of School Hours (OOSH) and vacation care service, which operates near Building C, will not be affected by this work and will continue as usual during the holidays.

This area is known to contain bonded asbestos as listed on the School's Asbestos Management Plan.

All work involving asbestos containing materials will take place with safety measures such as air monitoring in place. All work will be done in accordance with work health and safety laws and will be inspected by an independent hygienist.

The health, safety and wellbeing of all members of our school and the local community are our highest priorities.

If you have any questions about this project, please contact the NSW Department of Education during business hours using the details below.

Thank you for your understanding during this important work.
