

Balarang Public School

Fencing works notification | 12 December 2025

Dear neighbour,

For the safety and security of students, staff and the school community, we will be installing a fence between your property (26 The Esplanade, Oak Flats) and Balarang Public School.

The fence will be installed on school grounds directly next to the timber shared boundary fence currently in place.

Work to install the fence will take place on Tuesday 16 December 2025 and is expected to be completed that day, depending on weather and site conditions.

We will be installing a Colourbond fence to a height of 1.8 metres.

The NSW Department of Education is funding this work in full.

For the safety of the contractors, please secure your pets and keep them away from the work area during the scheduled work times.

The health, safety and wellbeing of the school and the local community are our highest priority.

Thank you for your cooperation during this important work.
