

# Ringrose Public School

## Works notification | 10 June 2025

Dear staff, parents and carers,

The NSW Department of Education regularly inspects and maintains its assets.

On Saturday 21 June 2025 we will be replacing an air conditioning unit in a classroom in Building D at Ringrose Public School.

This involves working with wall sheeting known to contain asbestos as listed on the school's asbestos register.

When work is finished the classroom will be inspected by an independent hygienist to confirm it has been fully remediated, and a clearance certificate will be issued before it is reopened.

All work will be done in accordance with work health and safety laws and the NSW Department of Education's Asbestos Management Plan.

Safety measures will be in place while work is being done.

All work will be completed by licensed asbestos contractors and monitored by independent hygienists.

The health, safety, and wellbeing of all members of our school and the local community are our highest priorities.

Thank you for your cooperation during this important work.
