

Woy Woy South Public School

Works notification | 24 August 2023

Dear staff and parents/carers,

We are replacing the carpet in Building H and K at Woy Woy South Public School. As part of this work, asbestos containing material within the vinyl tiles located under the carpet will need to be removed.

Building H and K continues to be used as the material is undisturbed. Additional safety measures and monitoring will be put in place before the works start.

Work to remove the material will take place between Saturday 16 September and Sunday 17 September 2023.

Work will be done in accordance with SafeWork NSW regulations and the NSW Department of Education's Asbestos Management Plan. All work will be completed by licensed and accredited asbestos contractors and monitored by occupational hygienists in strict accordance with all applicable legislation, regulations, policies, and guidelines.

Building H and K will be inspected by an independent hygienist to confirm it has been fully remediated, and the school will receive a clearance certificate before the areas are reopened.

The health, safety, and wellbeing of the school and the local community is our highest priority.

Thank you for your cooperation during this important work.
