

# Pleasant Heights Public School

Works notification | 21 July 2023

Dear staff and parents/carers,

We are upgrading the canteen at Pleasant Heights Public School. As part of this work, asbestos containing material within the vinyl tiles will need to be removed from the canteen and the canteen toilet, storeroom and office.

The areas are being safely used at present as the material is undisturbed. The areas will be cordoned off before the work starts, and additional safety measures and monitoring put in place.

Work to remove the vinyl tiles will take place after school hours between Saturday 5 August and Saturday 12 August 2023.

Work will be done in accordance with SafeWork NSW regulations and the NSW Department of Education's Asbestos Management Plan. All work will be completed by licensed and accredited asbestos contractors and monitored by occupational hygienists in strict accordance with all applicable legislation, regulations, policies, and guidelines.

The areas will be inspected by an independent hygienist to confirm they have been fully remediated, and the school will receive a clearance certificate before they are reopened.

The health, safety, and wellbeing of the school and the local community is our highest priority.

Thank you for your cooperation during this important work.
