

Baulkham Hills North Public School

Works notification | 5 September 2024

Dear staff, parents and carers,

We are refurbishing Building O at Baulkham Hills North Public School. This building, which sits between Building D and the demountables, is currently unused and refurbishing it will create an additional learning space for our students.

Work will begin on Monday 9 September 2024 and continue until the end of the Spring School Holiday period.

The project includes replacing the roof, ceiling linings, carpet, gutters and downpipes, air conditioning and PA unit. The building will then be professionally repainted inside and cleaned outside.

Building O will remain fenced off and inaccessible to students and staff until the project is finished.

The health, safety, and wellbeing of the school and the local community is our highest priority.

We will keep the community updated.

Thank you for your cooperation during this important work.
