

# Jasper Road Public School

## School holiday works notification – Autumn | 2025

Dear staff, parents, carers and neighbours,

The school holidays are the ideal time to complete maintenance and project work across the state without disrupting learning.

### Planned work over the Autumn School Holidays

We will be working at your school during the Autumn School Holidays from Saturday 12 April through to early Term 2 2025.

As part of regular maintenance, we will be replacing the roof and removing external eaves and gable linings in 2 buildings: the Support Unit Building, and a general classroom block (Building A) at Jasper Road Public School.

The material in the eaves and gable linings is known to contain bonded asbestos as listed on the school's asbestos register. NSW Health explains that 'living or working with asbestos, or just being around it, is a low risk to your health as long as the asbestos is in good condition and not damaged'.

All work involving asbestos containing materials will be completed within the holiday period.

During this work there will be air monitoring, temporary fencing, signage and workers wearing personal protective equipment at the school.

All work will be done in accordance with work health and safety laws and the NSW Department of Education's Asbestos Management Plan. All work will be completed by licensed asbestos contractors and inspected by an independent hygienist.

The vacation care program located in Building M on the south-eastern side of the school will be open as usual.

### Work hours

Work hours are between 7 am and 6 pm Monday to Friday, and 8 am and 1 pm on Saturday, in line with NSW Environment Protection Authority guidelines.

During this time contractors and vehicles will be accessing the school.

The health, safety and wellbeing of all members of our school and the local community are our highest priorities.

If you have any questions about this work, please contact the NSW Department of Education on the details below.

Thank you for your cooperation during this important work.
