

Busby West Public School

School holiday works notification – Summer | 2025/2026

Dear staff, parents, carers and neighbours,

The health, safety, and wellbeing of all members of our school and the local community are our highest priorities.

Urgent construction work – Saturday 24 January 2026 to Tuesday 2 February 2026

Due to recent wet weather damage to classrooms, urgent works are required at Busby West Public School. Work will take place from Saturday 24 January 2026 to Tuesday 2 February 2026, including Monday 26 January 2026. Work will take place between the hours of 7 am and 5 pm.

During the work, there will be construction noise due to the use of heavy machinery, including cranes, trucks, and delivery vehicles. Some noise and disruption may be experienced in the vicinity of the school and neighbouring properties. An increase in truck and contractor vehicle movements can be expected along Starling Street and nearby areas.

All work involving hazardous material will be done in accordance with work health and safety laws and the NSW Department of Education's Asbestos Management Plan. Safety measures, including temporary fencing, signage and workers wearing personal protective equipment, will be in place while work is being done. All work will be completed by licensed asbestos contractors and inspected by independent hygienists, who will provide clearance before any classrooms are reopened for use.

Thank you for your understanding during this important work.
