

Parkview Public School

School holiday works notification – Winter | 2025

Dear staff, parents and carers,

The school holidays are the ideal time to complete maintenance and project work across the state without disrupting learning.

Planned work over the winter break

We will be working at your school during the Winter School Holidays – from the end of the school day on Friday 4 July 2025 up to Day 1 Term 3 (Tuesday 22 July 2025).

We will be starting work to upgrade the boys toilet and cleaners storeroom in Building D.

As part of this work we will be replacing ceiling sheeting and cubicle partitions that contain bonded asbestos.

All work involving asbestos-containing materials will take place outside of school hours.

NSW Health explains that “living or working with asbestos, or just being around it, is a low risk to your health as long as the asbestos is in good condition and not damaged”.

All work will be done in accordance with work health and safety laws and the NSW Department of Education’s Asbestos Management Plan. All work will be completed by licensed asbestos contractors and inspected by an independent hygienist before clearance is provided to allow ongoing access.

The upgrade work will continue during Term 3 2025 and the toilets and store room are expected to reopen for Day 1 Term 4 2025.

The health, safety and wellbeing of all members of our school and the local community are our highest priorities.

If you have any questions about this work, please contact the NSW Department of Education on the details below.

Thank you for your cooperation during this important work.
