

Madang Avenue Public School

Works notification | 29 August 2023

Dear staff and parents/carers,

We are replacing the carpet in a hallway, 2 clerical offices and a staff study in Building A, and classrooms in Buildings E, F and H at Madang Avenue Public School. As part of this work asbestos containing material located under the carpet will be removed.

The areas continue to be used as the material is undisturbed. Additional safety measures and monitoring will be put in place before works start.

Work to remove the material will take place on Saturday 16 September 2023, outside school hours.

Work will be done in accordance with SafeWork NSW regulations and the NSW Department of Education's Asbestos Management Plan. All work will be completed by licensed and accredited asbestos contractors and monitored by occupational hygienists in strict accordance with all applicable legislation, regulations, policies, and guidelines.

The areas will be inspected by an independent hygienist to confirm they have been fully remediated, and the school will receive a clearance certificate before the areas are reopened.

The health, safety, and wellbeing of the school and the local community is our highest priority.

Thank you for your cooperation during this important work.
