

Woodberry Public School

School holiday works notification – Summer | 2025/2026

Dear staff, parents, carers and neighbours,

School holidays are the ideal time to undertake maintenance and project work across the state without disrupting learning.

Planned work over the upcoming holidays

We will be working at your school during the summer holidays.

This period may include from the end of the school day from Friday 19 December 2025 up to the first day of Term 1 Monday 2 February 2026 (Eastern region) or Monday 9 February 2026 (Western region).

The work we'll be doing involves replacing floor coverings in the 4 largest classrooms in Building B.

The vinyl tiles underneath the carpet in these rooms are known to contain bonded asbestos as listed on the School Asbestos Management Plan. These vinyl tiles will be removed as part of the refurbishment.

The Outside of School Hours (OOSH) is located on the other side of the school and is not affected by these works.

All work will be done in accordance with work health and safety laws and the NSW Department of Education's Asbestos Management Plan. Safety measures, including temporary fencing, signage and workers wearing personal protective equipment, will be in place while work is being done. All work will be completed by licensed asbestos contractors and inspected by independent hygienists, who will provide clearance before the rooms are reopened for use.

The health, safety and wellbeing of all members of our school and the local community are our highest priorities.

Thank you for your understanding during this important work.
