

Willmot Public School

Works notification | 11 August 2025

Dear staff, parents, carers and neighbours,

We are improving outdoor facilities for students at Willmot Public School by installing a new bike track surrounded by landscaped gardens.

The new track and gardens will be located on the eastern side of the school near the laneway accessible from Discovery Avenue.

There will be no changes to school operations and no anticipated disruption to learning and teaching during Term 3 2025.

Construction timeframe and traffic impacts

Work will start from Monday 18 August 2025 and is expected to be finished by mid-October 2025. During this time the work area will be fenced off within a construction zone.

Work hours will be **7am to 6pm Monday to Friday** and **8am to 1pm on Saturdays**. No work will take place on Sundays.

Construction vehicles will access the site via the carpark at the end of Carteret Avenue. All work vehicles will park onsite or in the carpark located at the end of Carteret Avenue.

Traffic on Carteret Avenue during work hours may be delayed due to large vehicle movements. We apologise in advance for any inconvenience.

Traffic control measures will be used to manage traffic and for the safety of the community. Please follow the directions of any temporary signage and traffic controllers when in place.

There will be some construction noise while work is taking place. We are committed to managing noise in line with regulatory requirements and will make every effort to ensure works are carried out safely and efficiently with minimal disruption to the community.
