

Hampden Park Public School

Works notification | 5 June 2026

Dear staff, parents, carers and neighbours,

We would like to provide you with an update on our works notification from [22 April 2026](#) about planned installation of gates in the laneway connecting Wangee Road and Hampden Road at Hampden Park Public School.

We are now pleased to confirm that the installation work will take place from Monday 15 June to Tuesday 16 June 2026, weather permitting, with the gates in operational from Wednesday 17 June 2026.

As previously advised, these gates will help provide greater security for our students, staff and the wider community. The gates will be opened by school staff each school day at drop off and pick up times. Outside of these times and during school holidays, the gates will be locked.

If you have any questions about this work, please contact the NSW Department of Education using the below details.

Thank you for your understanding and support during this important work.
