## Works notification | 23 October 2024

Dear staff, parents, carers and neighbours,

We wish to advise that we will be replacing the main entrance gate at Tyalla Public School.

As part of this upgrade, permanent closed-circuit TV (CCTV) cameras will be installed above the new Electronic Access Controlled (EAC) gate on Joyce Street. The purpose of these cameras is to capture details of people entering and exiting the school grounds.

For more information on CCTV including how the department uses footage, privacy laws and record keeping, please visit the department's [CCTV – use of closed circuit cameras page](#).

This work is scheduled to begin in December 2024. We will provide you with more details about the work, including dates, when they are confirmed.
