

Bateau Bay Public School

Works notification | 14 December 2022

Dear staff and parents/carers,

Upcoming planned maintenance work to the roof of Block B and G at Bateau Bay Public School will involve working with lead containing material within the roof cavity.

Work will take place during the summer school holidays between Wednesday 21 December 2022 and Thursday 26 January 2023.

Air monitoring has been installed and confirms the buildings are currently safe for staff, students and visitors to occupy. Before works begin, the area will be fenced off and safety measures and monitoring will be put in place. The area will remain out of bounds until the removal and associated maintenance work is completed.

This material will be remediated in accordance with SafeWork NSW regulations. All work will be completed in strict accordance with all applicable legislation, regulations, policies and guidelines.

The area will be inspected to ensure it has been fully remediated. The school will receive a clearance certificate before the area is open to students and staff.

The health, safety, and wellbeing of the school and the local community is our highest priority. Thank you for your cooperation during this important work.
