

Katoomba Public School.

Works notification | 12 August 2025

Dear staff, parents, carers and neighbours,

We wish to advise we will be removing 2 trees from the grounds of Katoomba Public School.

Following a recent routine inspection, 2 large pine trees were identified as having potential safety issues. These 2 trees are causing damage to the brick fence in the school's front yard.

A qualified independent arborist has provided us with a report recommending the removal of the 2 trees at the front of the school along Merriwa Street.

Blue Mountains City Council has been contacted and has endorsed this planned tree removal.

To avoid disruptions to teaching and learning, a qualified arborist will remove the trees outside of school hours.

Work hours

This work is planned for the coming weeks once a qualified arborist can be made available.

Work will take place outside of school hours on Monday to Friday and between 8 am and 1 pm on Saturday. No work will take place on Sundays or public holidays.

There will be some noise while work is taking place. We are committed to managing noise in line with regulatory requirements and will make every effort to ensure works are carried out safely and efficiently with minimal disruption to the community.

The health, safety and wellbeing of all members of our school and the local community are our highest priorities.

If you have any questions about this work, please contact the NSW Department of Education on the details below.

Thank you for your cooperation during this important work.
