

Wirreanda Public School

Works notification | 2 September 2025

Dear staff, parents and carers,

A tree fell over Ferodale Road in the morning of Tuesday 26 August 2025 from the vacant property next to Wirreanda Public School.

The recent wet weather likely made the ground soft enough for the tree to uproot.

This occurred during drop off time at around 8:40 am.

The road was closed until works could be done to remove the tree.

On the same day, the Rural Fire Service removed the tree safely from the road. Council have collected the remaining debris from the side of the road.

The tree removal did not disturb school operations.

We will continue to monitor the health and safety of all trees on school grounds.

The health, safety and wellbeing of all members of our school and the local community are our highest priorities.

If you have any questions about this work please contact the NSW Department of Education on the details below.

Thank you for your cooperation during this important work.
