

# Shoal Bay Public School

## Works notification | 12 May 2026

Dear staff, parents, carers and neighbours,

We are upgrading the hall in Building C at Shoal Bay Public School.

This project will deliver:

- new feature ceiling and lighting throughout
- new vertical folding door leading to the covered outdoor learning area
- new floorboards
- new wall sheeting, painting and acoustic panels
- front façade refresh
- additional covered walkways.

### Progress summary

Collaborative Construction Solutions was recently appointed as contractor for this project. Subcontractors are currently being procured and a construction program is being developed.

Work is expected to start in mid-2026 and finish before the end of the year, weather and site conditions permitting. We will keep the school community updated as the construction program is developed and this project progresses.

If you have any questions about this work, please contact the NSW Department of Education using the details below.

Thank you for your understanding and support while we deliver this important project for the Shoal Bay community.

### What makes Shoal Bay Public School special?

Located near the beach and Tomaree National Park, Shoal Bay Public School integrates its natural surroundings into learning, including environmental education, outdoor activities, and a focus on sustainability.
