## Fencing works notification | 31 January 2025

Dear neighbour,

Following our notification on 11 December 2025, we wish to update you on the schedule of works to replace the boundary fence between your property and Caddies Creek Public School.

Work is scheduled to take place from Monday 17 February 2025 and is expected to be finished by the end of March, depending on weather and site conditions.

Work includes:

- installing temporary fencing
- removing foliage on either side of the fence (if required)
- removing old timber panels and posts
- installing new steel posts and timber panels.

The work will start on properties at the eastern end of Oakleaf Avenue and continue toward western properties as each section of the fence is finished.

Working hours are from 7 am to 6 pm Mondays to Fridays and 8 am to 1 pm on Saturdays. No work will be done on Sundays or public holidays.

For the safety of the contractors, please keep young children away from the work and secure your pets to keep them away from the work area during the scheduled work times.

The health, safety and wellbeing of the school and the local community are our highest priority.

Thank you for your cooperation during this important work.
