

Kellyville Ridge Public School

Community Update – August 2024

The Kellyville Ridge Public School Parents’ and Citizens’ Association (P&C) has fundraised tirelessly to raise money to support facility upgrades and enhancements at the school.

Working hand-in-hand with the NSW Department of Education, several key projects are now in the advanced stages of planning.

Once delivered, these works will support the school community now and into the future.

You'll start to see progress on some of these projects in the coming weeks.

We’re working together to deliver:

 Basketball court tiered seating Installation of courtside seating to accommodate school community events. Status: Commence delivery in Term 3.	 Interactive playground An increased scope of work is being prepared thanks to additional community contributions. Status: Project planning to be completed early Term 4.	 School hall Proposed additions such as air conditioning and solar panels and upgrades to lighting and stage. Status: Feasibility evaluation to be completed before the end of Term 4.
---	---	--

Work commencing in the next few weeks:

 Upgrading student active transport storage	 Positive Behaviour and Learning signage	 Storage container delivery
 Out of School Hours Care – Pathway and gate installation	 Water chillers	 Staff kitchen upgrade

More information

We will provide the school and wider community with updates on this work as it becomes available.

If you have any questions about this project, please contact the NSW Department of Education during business hours on the contact details below.
