

Australia Street Infants School

School holiday works notification | Spring 2026

Dear staff, parents and carers,

School holidays are the ideal time to undertake maintenance and project work across the state without disrupting learning.

Planned work over the upcoming holidays

We will be upgrading the flooring in the staff room in Building B at Australia Street Infants School.

This period may include from the end of the school day on Friday 25 September 2026 up to the first day of Term 4, Tuesday 13 October 2026.

This work involves removing known bonded asbestos-containing vinyl tiles, currently undisturbed and in good condition.

Asbestos was used widely in Australian building materials before 1990. We manage the presence of asbestos in NSW public schools by maintaining an Asbestos Management Plan for each school and engaging independent hygienists for expert advice.

All work will be done in accordance with work, health and safety laws. All work will be completed by experienced contractors and inspected by independent hygienists with air monitoring in place.

The Out of School Hours (OOSH) and vacation care service which runs from Building B will not be affected and will operate as usual during the holidays.

Work hours

There may be some construction noise while works are happening. Flooring installation will take place between 7 am and 6 pm Monday to Friday, and 8 am and 1 pm on Saturday.

If you have any questions about this work, please contact the NSW Department of Education using the details below.

Thank you for your understanding during this important work.
