

Yeo Park Infant School

Works notification | 2 November 2023

Dear staff, parents and carers,

School Infrastructure NSW has commenced work to construct a permanent perimeter fence around Yeo Park Infants School. This includes intercom and gates for pedestrian access to the school.

Surveying, excavation, and site-specific measurements have been completed. Fence panels and gates are currently being constructed offsite.

Work on site is scheduled to commence Monday, 6 November 2023 and will take approximately 3 weeks to complete.

The construction area will be out of bounds while the work takes place. There will be minimal disruption to students or staff during this time.

The health, safety and wellbeing of the school and local community is School Infrastructure NSW's highest priority. This new fencing is being installed to increase safety and security for students, staff and visitors.

Construction is unlikely to impact neighbouring streets or the adjacent park but as always, we will do our best to minimise disruption while this important work takes place.

Thank you for your cooperation and understanding.

If you have any questions or concerns about this work, please contact School Infrastructure NSW during business hours on 1300 482 651.
