

NSW Department of Education  
Yeo Park Infants School  
Community Update | 19 June 2024

Dear staff, parents and carers,

Following our fencing update on [23 February 2024](#), the mechanics for the automated gate at the main school entrance have been reviewed.

The following arrangements will be managed by the school administration, effective immediately:

- Parents are encouraged to use the new 5-minute drop-off parking zone during morning drop-off times.
- Gate 1 will remain open during morning drop-off times.
- Gates 1, 2 and 4 will remain open during afternoon pick-up times.
- Gate 2 will continue to be used when accessing Before and After School Care (BASC) services – before and after school hours.
- Secure entry at Gate 1 via the school's intercom access system will be required at all other times.

All future gate access or drop-off and pick-up arrangements will be managed by the school.

The health, safety and wellbeing of the school and local community is our highest priority. The new fencing has been installed to increase safety and security for students, staff and visitors.

Thank you for your cooperation and understanding.
